Clubs and Rewards Programs

Gift of Knowledge – Quarterly. What better way to celebrate a birthday than by donating a book to the Spring Street Media Center? For a small fee, the birthday child will attend a special breakfast in the Cafeteria, select a book with a personalized book plate acknowledging their generosity, and be the first one to take that book home!

Stop and Shop/Price Chopper Rewards Programs: Earn money for Spring Street just by doing your weekly grocery shopping. Register your rewards card number and begin helping our PTO earn cash and supplies. (Must re-register yearly).

Target Red Card: Feel better about all the money you inevitably spend at Target by registering your Red Card to benefit Spring Street. Last year we earned over $1,000 from Target.

AmazonSmile: Each time you place an order from AmazonSmile, a percentage of the total sale is donated to the Spring Street PTO. Register on-line.

Box Tops: Have your kids sharpen their fine motor skills by cutting those box tops off the items you use every day. Each box top earns ten cents for our school. When we all work together that turns into hundreds of dollars! A collection box is located in the school lobby.

Dine Out Nights: May 3rd -- Casa Vallarta -- This event gives families a great excuse to skip cooking and eat out for a cause. Basically, you go out to dinner and the PTO gets a certain percentage back.

Script Program: On going fundraising program where families can purchase gift cards online or through a paper order form. Volunteers are needed to keep the program running on a biweekly basis and can do most things from home.
