

To all Beal Families,

The Beal Parent Teacher Organization is actively seeking new members. In past years, through the efforts of parent volunteers, we have been able to support a number of important programs at Beal, including instructional technologies, educational enrichments, field trips, in addition to student and staff appreciation activities. In previous years, we have been fortunate to be able to fund exciting technologies such as interactive white boards and iPads, the Raz Kids online reading program, Time for Kids, bus transportation for the first grade field trip, special visitors such as the Bee Lady and Pumpnickel Puppets, and an array of other enriching programs. In addition, as a result of our collaboration with the Media Center on the Beal Bookworms, over 50 new books are donated each year.

We are excited to continue to expand these initiatives, but we need your help. Please consider attending our monthly meetings. These are generally held one Tuesday per month from 6:30-7:30 pm, and childcare is provided. The meeting dates for the remainder of the school year are included at the end of this letter.

Currently, we have several open positions on our board, including Secretary, Grounds Coordinator, and Corporate Programs Coordinator. We also have a number of fundraisers in need of chair people. These include: SkyZone Jump Nights, February Pajama Movie Nights, Spring Flower Sale, in addition to assistance with planning and producing the Beal Family Dinner, our biggest event of the year. If you are interested in lending a hand and even taking on one or more of these, contact Katie Treiber (katietreiber@yahoo.com) or Heather Randazza (hmmele1@aol.com).

Also, if you are unable to attend all of the meetings, that is ok – many of the fundraisers can be run without regular attendance.

We look forward to working with you!

Sincerely,

Katie Treiber & Heather Randazza
