Dear Families,

This morning we celebrated the extraordinary efforts of our first grade readers in the first of several Reading Medal ceremonies. Thanks to parents for their support from home, and to our PTO for making this event a momentous occasion. A huge round of applause also goes to Mrs. Betti and our Reading recorders for their tireless work tracking a year's worth of independent reading- with great results. I am very proud to tell you that 99% of our first graders and every single one of our Kindergarteners will be awarded this week! That outcome is a great indicator of future success in school.

How do you think we've been doing with *our* work? Please take a few minutes to complete the brief survey below so that we can include your insights as we plan ahead for next year:

Our goal is continuous improvement, and your ideas will help us to get better at the things that matter most.

Sincerely,

*Amy*

***2. A reminder about Field Day from the Nurse!***

Field day is this Friday June 5<sup>th</sup> with a rain date of June 12<sup>th</sup>.

The children will be outside all morning and in some cases eating lunch outside. Please look at the weather that morning and dress your child accordingly. It's important that you apply **sunscreen** before school.

Teachers cannot apply it before heading outside. Send in a **hat** and even sunglasses if your child suffers from "allergy eyes". Please no flip flops!

They will be very active all morning. Please send them with a **water bottle** (with their name on it) so that they can keep water with them as they go from station to station! After lunch a "whole fruit" freeze pop will be given to all the children. Please call the Nurses office if your child has food allergies and should not have a freeze pop.

It is a great day. Let's keep everyone safe as we have fun together!

Thank you.

Mrs. Zimmermann, RN, BSN, NCSN
