1. PTO MEETING: Everyone is encouraged to join us for our next meeting on **Wednesday, December 2nd at 7pm** in the Media Center. Our principal, Mrs. Clouter, will be discussing deep understanding in reading.

We will hear updates on our fundraisers and events, the enrichment program plans, and more. Please contact President Rachel Reeve (ptocoolidge@shrewsbury.k12.ma.us) with anything you want to discuss so it can be added to the agenda. The minutes from our last meeting can be found here <https://coolidgepto.files.wordpress.com/2015/11/october-2015-minutes.pdf>

2. Congratulations to all of the student performers at the Coolidge Variety Show!! And thanks to Mrs. Blake Jarvi and her crew for all of their hard work in putting this fabulous evening together.

Parents, if you have photos or videos of students performing in the Variety Show, please send them to Cathy Cairns, Coolidge secretary, atccairns@shrewsbury.k12.ma.us and she will post them on our school Facebook page.

3. This season's **Gingerbread Shop** will be opening on November 30th. Stay tuned for more details on this fun opportunity.

4. 'Tis the Season for Giving: Have you considered making a donation in someone's name as a gift this holiday season? Direct donations to the PTO are always welcome, in any amount. You can send a check in to the school made out to "Coolidge PTO" or donate online here <https://npo.justgive.org/coolidgepto>

In this way all of your donation will go directly towards funding our enrichment programs, academic materials, staff appreciation, community events, and more. You can download and print a card to present the special person you are honoring.

Frequently employers will match tax-deductible charitable contributions made by their employees. Contact your Human Resources Office for eligibility requirements and to obtain a matching gift form. Many area businesses, such as Fidelity Investments, offer this program, so if you are considering donating to the PTO, please give this opportunity some thought.

5. Computer Workshops:

As we know there are numerous benefits of introducing kids to Computer Science early. While our kids use laptop, ipads & smart phones to play games, watch vides etc, it's important to introduce them to basics of computer science. Once this foundational knowledge is in place then introducing kids to actual programming languages will be the next step.

RASA Creations is happy to announce two Computer Workshops for kids grade 1 to 6. After tremendous response to our last year's Computer workshops, we are coming up with two workshops for kids this December vacation.

1. Count on Computers - For grades 1 to 3

Date - December 28th and 29th,2015

2. Super Scratch - for grades 4 to 7

Date - December 30th and 31st,2015

Please see the flyer for more details on these workshops.
