The Trials of Apollo: The Hidden Oracle, by Rick Riordan

How do you punish an immortal? By making him human. After angering his father Zeus, the god Apollo is cast down from Olympus. Weak and disoriented, he lands in New York City as a regular teenage boy. Now, without his godly powers, the four-thousand-year-old deity must learn to survive in the modern world until he can somehow find a way to regain Zeus's favor. But Apollo has many enemies-gods, monsters, and mortals who would love to see the former Olympian permanently destroyed. Apollo needs help, and he can think of only one place to go . . . an enclave of modern demigods known as Camp Half-Blood.

Magnus Chase and the Gods of Asgard, by Rick Riordan

Magnus Chase has always been a troubled kid. Since his mother's mysterious death, he's lived alone on the streets of Boston, surviving by his wits, keeping one step ahead of the police and the truant officers. One day, he's tracked down by an uncle he barely knows-a man his mother claimed was dangerous. Uncle Randolph tells him an impossible secret: Magnus is the son of a Norse god. The Viking myths are true. The gods of Asgard are preparing for war. Trolls, giants and worse monsters are stirring for doomsday. To prevent Ragnarok, Magnus must search the Nine Worlds for a weapon that has been lost for thousands of years. When an attack by fire giants forces him to choose between his own safety and the lives of hundreds of innocents, Magnus makes a fatal decision. Sometimes, the only way to start a new life is to die . . .

The Lightning Thief (or any book in the Percy Jackson series) by Rick Riordan

Books from the 'Redwall' series by Brian Jacques

Level Three:

The Girl Who Drank the Moon, by Kelly Barnhill

Once a year in the Protectorate there is a Day of Sacrifice. The youngest baby is taken by the Elders and left in the forest to die, thus appeasing the witch who threatens to destroy the village if not obeyed. Unbeknownst to the people, Xan, the witch of the forest, is kind and compassionate and she rescues the infants. On one occasion, Xan is smitten with a beautiful baby girl, who has a crescent moon birthmark on her forehead, and chooses to raise her as her own child. Twists and turns emerge as the identity of the true evil witch becomes apparent.

Splendors and Glooms, by Laura Amy Schlitz

The master puppeteer, Gaspare Grisini, is so expert at manipulating his stringed puppets that they appear alive. Clara Wintermute, the only child of a wealthy doctor, is spellbound by Grisini's act and invites him to entertain at her birthday party. When Clara vanishes that night, suspicion of kidnapping falls upon the puppeteer and, by association, Lizzie Rose and Parsefall. As they seek to puzzle out Clara's whereabouts, Lizzie and Parse uncover Grisini's criminal past and wake up to his evil intentions. Fleeing London, they find themselves caught in a trap set by Grisini's ancient rival, a witch with a deadly inheritance to shed before it's too late.
