1. Year End Giving - Support Innovation in Our Schools Through the Colonial Fund

During this season of giving, please consider a gift on behalf of your own family, or in honor of someone important to you. We can mail you 4x5 acknowledgement cards for each donation you make in honor of someone this holiday season. These special note cards can be presented to your honoree. What type of innovation does the Colonial Fund support? Innovation can mean technology, support for technology, or even a new idea or way of teaching in the classroom. This year, we will be supporting an expansion of the 4th grade digital classroom pilot, the purchase of 24 interactive projectors for classrooms at the high school, expansion of a subscription to an online library of digital books, which will help motivate readers, and STEM-related classroom supplies for kindergarten and pre-school classes. This spring, the Colonial Fund will also sponsor a showing of the film, Most Likely to Succeed. More details will be announced later.

To donate online to the Colonial Fund, please visit:

Thank you for your support.***

4. Final Call - Registrations for the Shrewsbury Boys Youth Lacrosse 2016 Spring Season

Sign-ups are through our website at <http://shrewsburyyouthlacrosse.uslaxteams.com/>
The cost is \$210 per player. A credit card is required to sign up! Registration is open to 1st thru 8th grade boys who live in the town of Shrewsbury. No experience is required. There are no try-outs and teams are evenly organized and balanced. We field all players as equally as possible with the goal of teaching the sport of lacrosse and providing a fun experience for everyone involved. We play an 8 game schedule against surrounding towns and the season ends with a Jamboree at Fort Devens in June. Indoor practices will start after February vacation and games will start as soon as we are allowed on the fields in April. Games are typically played on Sunday and practices are during the week. Our league is growing fast, and we are always looking for people to help with coaching and administrative duties. We've had some excellent coaches and helpers over the years that have never played lacrosse. So don't let it stop you if you're new to the sport!
Important – Timely registration is critical since we need to register our teams with MBYLL in December for the 2015 season.
