

Shrewsbury Public Schools School Committee

The following resolution was supported unanimously by a vote of the Shrewsbury School Committee on October 5, 2016.

Resolution:

The Shrewsbury School Committee formally opposes Massachusetts Ballot Question 2, because the expansion of charter schools without changes to the way charter schools are funded will cause traditional public school districts to be negatively impacted by an increased loss of funds, putting the adequate funding of the Shrewsbury Public Schools at significant risk. The School Committee authorizes the Chair of the Committee to communicate the Committee's position on Question 2 through means such as letters to the editor, in order to convey to the citizens of Shrewsbury why the School Committee strongly recommends that a "No" vote on Question 2 is in the best interests of the Town of Shrewsbury and its public schools.
