### **1. [Please Note](#) – Thank You to Our Career Day Volunteers! (New)**

Thank you to everyone who generously volunteered to talk about their professions at the Oak Middle School Career Day. We are deeply grateful for the overwhelming response from our community. If you missed out on this opportunity, there will be more chances to get involved in the future. Our schools welcome individuals who are willing to share their careers and experiences with our students at all grade levels.

On April 4th, Oak Middle School will be hosting a Career Day for all 7th grade students, providing them with an opportunity to speak with a professional in a chosen field they are researching. During a series of 20-30 minute informational sessions, 500 7th grade students will have the opportunity to interact with two professionals of their choice. The professionals will discuss the day-to-day tasks involved in their respective fields, the necessary training and skills required for success, and address prepared questions from the students. This event is a highly memorable and a valuable experience for students, as it brings their research to life and reinforces the importance of communication, perseverance, and critical thinking skills that are essential for success in any profession. More information can be found on the [Oak Middle School Career Day webpage](#).

### **2. [Please Note](#) – Shrewsbury High School Junior Class Fundraiser (New)**

The Shrewsbury High School Junior Class is excited to announce a new fundraising opportunity! We will be selling popcorn online through DoubleGood. With DoubleGood, you can buy [directly from the website](#) and order delicious gourmet popcorn that gets delivered right to your home. All proceeds will go towards funding our upcoming events.

The [website](#) will be open for a limited time, running from Tuesday, March 28th through midnight on Friday, March 31st. Thank you for your support of our high school students, and we hope you enjoy the delicious popcorn! Please share [the link](#) with friends, family, neighbors, and more!

### **3. Please Note – Shrewsbury Robotics Annual Blood Drive**

Shrewsbury Robotics and Shrewsbury High School FRC Robotics Team 467 are proud to sponsor our 3rd Annual Virtual Blood Drive. The Red Cross has to collect 15,000 blood donations every day to have enough blood to help patients in 2,700 medical facilities across the country. That's a lot of patients in need, and all of us, coming together, can help ensure patients receive life-saving blood. Use [our link](#) or search for "robot blood drive 2023" to pledge to donate, then open your American Red Cross account (or create one if you don't have one) to schedule your appointment. It will ask for your zip code and give you options for appointments near you. SleevesUp and help us reach our goal of 100 donations!

### **4. Save the Date – Shrewsbury Education Foundation Trivia Night, April 29th**

The Shrewsbury Education Foundation is excited to announce the in-person return of its annual Trivia Night. ### **5. Save the Date – Support for SHS Students to Attend DECA International Career Development Conference**

The Shrewsbury High School DECA (Distributive Education Clubs of America) Team is in its inaugural year and is seeking financial support from business partners and community members for an upcoming international competition! This past weekend, 12 members of Shrewsbury High School's DECA Team competed at the state tournament with numerous successes. Five students were state finalists and qualified for the ICDC international tournament in Orlando, Florida. While we hope that all of the five students are able to participate, the cost for each person to attend is \$2,000 (includes all room, food, event, and airfare costs). As DECA is a first-year chapter, there are currently inadequate funds to support the total cost for all five students to attend, making it highly unlikely that all student competitors will be able to participate.

Please contact Jane Lizotte, Assistant Superintendent for Community Partnerships & Well-Being, at [jlizotte@shrewsbury.k12.ma.us](mailto:jlizotte@shrewsbury.k12.ma.us), if you are able to donate to this effort in order to defray the cost for one or more students to attend.

DECA proudly sponsors over 173,000 high school members in 5,000 classrooms, in 3,200 schools across the world. Student team members are preparing for careers in marketing, finance, hospitality, management, and entrepreneurship. DECA's objective is to support the development of marketing and management skills in career areas such as hospitality, finance, sales and service, business administration, and entrepreneurship. Programs and activities are tailored to the specific career interest of students and include technical skills, basic scholastic and communication skills, human relations and employability skills, and a strong emphasis on economics and free enterprise. DECA Inc. is a 501(c)(3) not-for-profit student organization with more than 177,000 members in all 50 United States, Canada, Guam, Puerto Rico and Germany. The United States Congress, the United States Department of Education and state, district and international departments of education authorize DECA's programs.

## **6. Save the Date – Shrewsbury High School Summer Job Fair for Students, April 27th**

Dear high school students, parents, caretakers, and community business partners: Are you seeking summer employment or hard-working employees? If so, please join local businesses that are seeking to employ students over the summer months. The Shrewsbury High School Summer Job Fair will be held in the Shrewsbury High School Commons on Thursday, April, 27th, from 2:00 to 3:00 p.m. You may also refer to [this published list](#) of available jobs in our community.

Every job listing contains a brief job description, instructions for how to apply for the job, and the contact person. Interested students should connect with the employer directly to apply for the posted positions. This list is kept current. Please be sure to [apply for a work permit](#) if you are under 18 years of age. Instructions are also on the [Jobs for Students page](#). Please contact Jane Lizotte at [jlizotte@shrewsbury.k12.ma.us](mailto:jlizotte@shrewsbury.k12.ma.us) or Kathleen Keohane at [kkeohane@shrewsbury.k12.ma.us](mailto:kkeohane@shrewsbury.k12.ma.us) with questions regarding the upcoming Shrewsbury High School Summer Employment Job Fair. Thank you for your time and attention.

## **7. Save the Date – Safety Care for Families Program, April 5th & 12th**

Safety Care for Families is a training program for family members and other stakeholders working with behaviorally challenging individuals in a home or home-like setting. This innovative course provides an adapted version of the Safety Care curriculum, designed to provide parents, family members, and others with the skills and interventions needed to improve behavior and to prevent, minimize, and manage potentially dangerous incidents.

Shrewsbury Public Schools is proud to offer this two-part (5 hours total) course on Essential Safety Care Skills. These trainings are meant for parents and caregivers who support a child who engages in challenging or unsafe behavior. The program will take place at Beal Elementary School, Room B154 on April 5th and 12th from 6:00 to 8:30 p.m.

Your Trainers: Robert Parry-Cruwys and Colleen Callahan are special education teachers/Board Certified Behavior Analysts (BCBA) working in the Shrewsbury Public Schools. ### **1. Please Note – Shrewsbury Youth and Family Services Groups (New)**

#### **Social Emotional Learning Group**

Enrollment is now open for our new 6-week Social Emotional Learning group for children in fifth and sixth grade! Navigating adolescence can feel overwhelming. This group aims to help children feel they have the skills necessary to be successful. It is designed to support adolescents in identifying, understanding, and managing emotional experiences, developing skills to establish and maintain positive relationships, and learning and practicing skills to

communicate successfully with others. This will also be an opportunity to engage with peers and foster new friendships! This group is facilitated by a Master's-level clinician.

Social emotional learning has been shown to increase academic success, positive social behavior, and confidence, as well as decrease emotional distress. Developing these skills now will better prepare adolescents to navigate school, friendships, family, and other road bumps life may throw at them!

The six-session group begins on Thursday, April 6th and ends May 18th (no group over April break). All sessions will be held from 4:00 to 5:00 p.m. For questions and registration, email [ARobinson@syfs-ma.org](mailto:ARobinson@syfs-ma.org). Please note: we will not be able to accept new group members after the second session.

### Art Therapy Group

Enrollment is now open for our new 6-week Art Therapy group for high school students! The intention of this group is to create a safe place for youth to experience and creatively express their emotions, as well as cultivate opportunities for self-expression, mindfulness, acceptance, and self-compassion. The art therapy exercises will include a variety of techniques ranging from collaging and textiles to drawing, painting, sculpting, and writing. Youth will walk away with some really cool artwork, but the focus will be on the process, not the product. They will learn to let go of critical thoughts and judgements that could impede the creative process. Navigating the challenges of adolescence today is hard and this group will be a place where youth can increase coping and social skills through creative expression. No artistic expertise necessary! The group will be led by a local Visual Arts Educator/Certified Therapeutic Art Life Coach and an SYFS Clinician and will be free of charge.

The six-week session begins on Wednesday, April 12th and all sessions will be held from 3:45 to 4:45 p.m. For questions and registration, please email [ARobinson@syfs-ma.org](mailto:ARobinson@syfs-ma.org). Please note that we will not be able to accept new group members after the second session.
