### Emerging Thoughts About Regulating AI

Join the Shrewsbury Public Library on Thursday, March 14th at 7:00 p.m. with Representative James McGovern and Senator Mike Moore as they discuss the regulation of AI. Today, Artificial Intelligence (AI) is everywhere in our lives! There are many positive applications for AI, such as in health care with early diagnostic capabilities to prevent or treat future illness. But there are many negative aspects to AI as demonstrated by the recent news about famous individuals being publicly compromised by AI images and voice messages. What are the Federal and State Governments going to do about regulating this swiftly advancing technology? The Foundation's Distinguished Speaker Series is proud to present Congressman James McGovern to discuss the potential for guard rails being considered by the Federal Government and State Senator Mike Moore, Chair of the Mass. Legislature's Committee on AI, to inform us about the State's emerging thoughts about regulating AI.
