# State of the District

- 1) Our students continue to demonstrate success by traditional measures, and community satisfaction with the quality of our schools is high.
- 2) We have articulated a bold, shared vision for the characteristics we wish for our students to develop as a result of their education in Shrewsbury.
- 3) We have developed an ambitious set of strategic priorities and goals that will guide the direction and focus the energy of our district and our schools for the next five years.
- 4) Realizing our vision, priorities, and goals will require the resources to do the job.
- 5) Empowerment is the key.

**Our students continue to demonstrate success by traditional measures, and community satisfaction with the quality of our schools is high.**

- State tests, national tests, post-graduation options
- Feedback through Thoughtexchange process and strategic planning

**We have articulated a bold, shared vision for the characteristics we wish for our students to develop as a result of their education in Shrewsbury.**
