

Shrewsbury & Westborough Special Education Parent Advisory Council

The Most Common Cause of OCD and Anxiety that Your Pediatrician Has Not Heard of.....P.A.N.D.A.S

Presentation by Kim Turgeon

Kim is a parent of 2 children diagnosed with P.A.N.D.A.S. She is a Newton Public School teacher and she has attended numerous medical conferences with experts in the field of P.A.N.D.A.S. She works as an advocate to educate parents and medical specialists on the disorder and the urgency in early diagnosis.

Have you ever heard of a child suddenly develop separation anxiety, OCD, worries about germs/dirt, handwriting and math difficulty or aggression at age 5 or older?

Come learn about what P.A.N.D.A.S is and where to get medical help and treatment.
