

THE FALCON FLYER

November 23, 2009

Dear Floral Street Families,

We begin a very brief week of school with a brief message of thanks and appreciation. One of the things we're fond of saying at Curriculum Nights and other opportunities is that *we have great kids here at Floral Street*. We do, and we are thankful to you, our parents, for entrusting us with such wonderful students. We appreciate the support and energy you provide every day to help our students be successful – we hope you enjoy the upcoming days together as families.

We are also thankful to our faculty and staff here at Floral Street. As with our students, we have countless opportunities to compliment these adults who make each day possible. The teachers and staff at Floral Street work incredibly hard, pushing themselves to always be better, always looking for the joy in the hard work, on behalf of our students. We know we are thankful to have them – if you have a story of thankfulness about your child's teacher that you'd like to share, **we would love to hear it!**

Sincerely,

Todd Curtis
