

# The Floral Street School Media Center Needs Your Support!

## Donate-A-Book

Great children's books are published every year but, due to limited finances, the Media Center is not able to purchase many of them. Your donation will allow us to make these current titles available and help replace books that are in poor condition. We strive to excite our students about reading and want to provide the best resources possible to support them, and the curriculum. Your contribution will have a long lasting impact. Please consider donating.

A \$15.00 donation will allow your child, or the Media Specialist, to choose a book from the display case outside of the Media Center. An inscription label stating your name, and a personalized message from you, will then be added to the book. Your child will be the first one to take the newly donated book home and then it will go into circulation for everyone to enjoy! See samples below.
