

## **PTO Welcome Note**

We would like to take this opportunity to welcome each of you and your families to Floral Street School. Our PTO is made up of dedicated and positive parents like you who want to make a difference in their children's education.

The main objective of our PTO is to be able to support our school with funds and services that will help enrich and maximize the education of every child and build community spirit. To meet this important objective, and afford services that are not covered by our school budget, we must raise funds throughout the school year. These funds help us provide our children with field trip transportation, resources and materials for the classrooms, improving and maintaining the playground, to name a few.

Our PTO hopes to promote open communication and understanding between parents and the school staff. We provide an opportunity for parents to meet the principal and teachers in the general PTO meetings and find out what is going on in our school on a monthly basis. You do not have to attend monthly meetings to be an active member of our PTO. There are many opportunities to get involved throughout the school year. Please come and join us by signing up or contacting the executive board.

Sincerely,  
Mitika Kathuria - President  
Lisa Powers – Vice President  
Nancy Nelson - Treasurer  
Colleen Corbett - Secretary
