Shrewsbury Federal Credit Union Will Match Your Donation Again

[Shrewsbury Federal Credit Union](#) (SFCU) has once again joined the Colonial Fund as our Innovation Partner for the 2016-2017 school year. SFCU has donated \$5,000 to the Colonial Fund and will match every dollar we raise up to another \$5,000.

Please join SFCU in supporting the Colonial Fund by making your own donation towards innovation and creativity in our schools. Through the generosity of SFCU, the value of your gift will increase and the Colonial Fund will be able to provide for more projects like these. *Your donations are making a difference!*

#GivingTuesday

One week from today, on Tuesday November 29, The Colonial Fund will once again participate in #GivingTuesday.

For the third year in a row, we will join with charities, families, businesses, community centers, and students around the world to celebrate and encourage philanthropy.

We hope you will consider a donation to the Colonial Fund on #GivingTuesday. A local donation to our schools has an immediate impact, enabling us to directly fund

innovative projects that would not otherwise be feasible. **And remember, Shrewsbury Federal Credit Union will match your donation.**

Another Successful Farmer's Market & Artisan Fair

This past Saturday, November 19, we hosted the second annual Farmer's Market & Artisan Fair to benefit the Colonial Fund. Almost 30 vendors sold an amazing array of locally crafted food and specialty products to an estimated 300 people who came out to shop. Through table fees paid by our vendors and the sale of raffle tickets, we raised \$1,100 for the Colonial Fund. Visit the [Colonial Fund Facebook page](#) to see more pictures from this event and the amazing vendors who participated.
