

Boosters Members

I would like to take this opportunity to welcome and thank you for joining the Shrewsbury High School Athletic Boosters Association. I would also like to welcome all the incoming freshman student athletes and parents to four years of some of the best athletic competition and team spirit a school could provide.

SHS Boosters is a club that fundraises for all school sports and assists each team sport in fundraising for a specific need. All money raised goes directly back to all athletics for the sole purpose of meeting the needs of all sports. Over the last three years Boosters has provided all teams with new uniforms, equipment, and supplies needed for their specific sport. We also fund pre-season and post-season expenses to ensure teams are able to continue to compete when the seasons budget ends. Boosters also helps to promote team leadership by sending captains of individual sports to leadership summits, having them be part of our decision making process with vendors for uniforms and equipment, and leading the teams in our fundraising efforts. We provide a website in conjunction with the school that gives dates, times and agendas of our meetings and all sports happenings throughout the year. Visit us at :

All of these accomplishments happen because of a team effort on and off the field and also that no team is greater than the whole that is SHS Athletics.

SHS Boosters only continues because of its membership and sponsors. Boosters has many different ways that its members can help us continue to grow and provide. Join us in our monthly meetings and bring your insight and expertise in a certain area, be a parent representative and be the eyes and ears of a specific team , volunteer in one of our many fundraisers or join one of our committees that make boosters what it has grow to be. We are not political or elite just a group of parents that promote student athletes and work with the athletic director to provide the best that can be provided. Our meetings begin in September and are at 7:00 pm on the second Monday of the month throughout the school year. On behalf of the Boosters Board and all the student athletes and teams. We welcome you and hope to work together with you to promote Shrewsbury High Athletics.

"YOU CAN'T HIDE THAT COLONIAL PRIDE"
