Early Childhood K-2 Acceptable Use Agreement

Using the computer correctly is a very important job. I promise to follow these rules.

1. I promise to use the Internet and computers after obtaining my teacher's permission for my schoolwork.
2. I promise to stay on the web pages that my teacher shows me.
3. If our class uses sharing web sites or makes a podcast, I promise to never give pictures, names, addresses, home phone numbers of my classmates or myself on these sites. If we post (publish to the web) I will use language that is acceptable in my classroom.
4. I promise to ask for help if I don't know what to do.
5. I promise to tell my teacher if I see, hear, or read something on the Internet that makes me feel uncomfortable.
6. I promise to respect all school electronic equipment such as computers, cameras, and printers and use them correctly.

Now that I have made these promises, I sign my name to show that I will follow these rules. If I break my promise I will not be able to use the computers or other instructional technology equipment.
