**PARENTS:** The Middle School Administration and the special education staff have divided the children from each present grade as equally as possible. Teams are, therefore, very well balanced and equitable.

**STUDENTS:** During the school year we know you will develop an excellent team spirit and show pride in your team and in your work. Your positive attitude and active participation is important. Coming to school with a sense of personal responsibility will allow you to do your very best.

For the first few weeks your teachers will take time to help you adjust to a new grade and team. When you return to school, we would like you to have the following items:

**All items from the grade 7 general supply list**

*Also, please be aware that supplies may need to be replenished throughout the school year.*

**BE SURE TO WRITE YOUR NAME ON ALL ITEMS**
