School begins on August 30, 2016 at Oak Middle School
School hours are: 8:00 a.m. to 2:35 p.m.

PARENTS: The Middle School Administration and the special education staff have divided the children from each present grade as equally as possible. Teams are, therefore, very well balanced and equitable.

STUDENTS: During the school year we know you will develop an excellent team spirit and show pride in your team and in your work. Your positive attitude and active participation is important. Coming to school with a sense of personal responsibility will allow you to do your very best.

For the first few weeks your teachers will take time to help you adjust to a new grade and team.

When you return to school, your team teachers would like you to have the following supplies:

All items from the grade 8 general supply list plus the following:

3-ring binders: these are to help you stay organized in each class. We suggest you choose one of the following:

- 4 binders, one per subject
- 2 binders, one for science/math and one for social studies / ELA
- 1 binder for all 4 subjects, with dividers - just be sure to keep it organized!
