Dear Student and Parent:

The Oak Middle School Yearbook sale has begun! We are excited to begin a new chapter in our middle school yearbooks, offering a quality product which will help capture the many great memories our students are building on a daily basis. From field trips to sporting events, concerts to team activities, this yearbook promises to be the best one yet. Why? We have teamed with Casson-Foster, a local company, to produce a professional, full color book which will cover activities from September through April - this is a huge step up from past years, and will include professional pictures of many teams and events. As a parent, chances are, you don't often think about your school days until someone or something reminds you (like...having your own child in middle school!). Then, it's great to be able to get out your old yearbook and reminisce. Someday your kids will want to look back, too. Buy them a little time — buy them a yearbook! This is your opportunity to order your child's 2016 yearbook!

***Please fill out the order form below, tear it off, and send it in to your child's homeroom teacher with a check made out to Oak Middle School.***

***The sale will run February 29th - March 11th. The cost is \$28.***

***After March 11th, yearbooks will be \$35. No orders after March 18th!***
