

POLICY FAMILY	SCHOOL BASED MANAGEMENT	218
<p style="text-align: center;"><u>218.</u></p> <p>School Based Management</p> <p>Adopted 9/5/90</p>	<ol style="list-style-type: none"> 1. The School Committee seeks to encourage school-based management as a style of leadership, which attempts to enhance the quality of education through an increased participation of the entire community. 2. The Committee recognizes that individual buildings will develop collaborative decision-making models, which include teachers, parents, administrators, and, when appropriate, students. 3. The Committee recognizes that school based decision-making may involve such activities as: <ol style="list-style-type: none"> a. Setting building goals, which reflect the important needs, values and priorities for that school community, but which are consistent with School Committee and system goals. b. Determining appropriate resources needed to carry out school goals and allocating any resources under school control. c. Assessing curriculum and instructional needs, reviewing research, and making recommendations on the best ways to meet building goals. d. Identifying how progress will be evaluated and monitoring on-going programs. e. Recommending new personnel to the Superintendent for consideration.
