Advisory Committee
Agenda for the School Committee Meeting on December 2, 2015

I. Technology at SHS
After an initial adjustment period, the 1-1 initiative is becoming an integral part of student life at SHS. New challenges have emerged and some creative solutions have been developed within this new environment. In addition, recent survey data regarding the iPad program sheds new light on the impact of iPads at the high school.
      a. iPad related issues and solutions
      b. iPad survey data and interpretations

II. Town Meeting and Hour of Code
On December 8th, SHS will have an early release day. The day will be split into four segments for the students, among them will be a new version of the traditional Town Meeting and the Hour of Code. For the Town Meetings, the student body will have an opportunity to express thoughts and concerns about issues at SHS. For the Hour of Code session, students will experiment with computer programming.
      a. Town Meeting
      b. Hour of Code

III. Events at SHS
As we move into December there are a number of exciting events going on at the high school, from our annual canned food drive to a variety of opportunities to stay involved at SHS.
      a. Thanksgiving Food Drive, Turkey Blitz, Andy's Attic
      b. Unified Basketball

Thank you for your continuous support of the SAC.
