

Spring Street School Suggested Class Supply List
Grade: 4 2016-2017

Dear Families,

Each year parents ask, “What supplies will my child need to start the school year?” Spring Street has again developed a standard, suggested supply list. It consists of core items and wish list items. The core items are materials that your child will use day to day. The wish list items are materials that your student’s teacher would like for classroom use. We appreciate any help that you can offer us. Please label all materials with your name in Sharpie before coming to school. Also, please remove items from packaging. Have a wonderful and safe summer!
