

Shrewsbury Extended Learning (Extended School Care)

Extended Learning strives to accommodate the childcare and enrichment needs of Shrewsbury students in kindergarten through sixth grade. Our purpose is to provide a safe, supervised environment rich with exciting activities and staffed by qualified childcare providers.

The program opens on the first day of school and is available only on days that school is in session. We do not provide care on snow days, professional development days or during vacation weeks. However, care is available on early release day afternoons. Coverage is NOT offered anytime during school hours while school is in session (this would pertain to the half-day kindergarten students).

Before School Care Information

Before school care is offered at all four elementary schools and at Beal Early Childhood Center but not at Sherwood Middle School. The program opens at 7:00 a.m. and finishes at the start of the academic school day.

After School Care Information

After school care is provided at all four elementary schools, at Beal Early Childhood Center, and at Sherwood Middle School. Children are dismissed to the program from the schools at the close of the school day (between approximately 2:20 p.m. and 3:30 p.m. depending on the school. Care is provided until 6:00 p.m.

Limited Availability

Enrollment is limited and most of the programs have waiting lists. If you are interested in having your child's name placed on the waiting list please call the director's office at the number listed below.
