

SHS Alumni News

Hello Shrewsbury Alumni! We haven't connected in a while and we have a lot to share with you.

Almost 2 years ago, we launched our new Alumni outreach program. If you haven't joined yet, it's easy - just click [here](#). Whether you've gone on to college, learned a trade, joined the military or you've gone straight to work, you have a story that can help current SHS students.

Over 300 alumni have already connected with us and each other, through [LinkedIn](#) and [Instagram](#). Don't miss this opportunity to build your network, find lost friends, or just see what's going on back in your hometown.

In This Issue

- **Alumni outreach**
- **Come back to school**
- **Lend your story to the School Journal**
- **Donate**

Did you know that you could visit a former teacher, speak to an after school club or share your experiences after high school? We have had 55 alumni already **"come back to school"** to share their life experiences, both challenges and accomplishments. Current students are eager to hear how **you** got to where you are today.

Your story doesn't have to be glamorous - just honest. Here's what students had to say: *"I liked how each person had a different and unique experience", "Please bring back the venture capitalist...he was really informative."* Best of all, 100% of all students would participate again. A win!

We are always looking for alumni to improve our communications and connect with our community. Many of you have graced the pages of our **Annual Report** on how Shrewsbury Public Schools are doing. *How many people do you recognize?* If you or someone you know would like to be highlighted, **let us know**.

If you have a business that you would like us to promote, consider an advertisement in the back of our **School Journal**, which gets distributed to every household in Shrewsbury, 2-3 times a year. Call 508-841-8409.

Is there a program at Shrewsbury High School that really shaped who you are today? Maybe a club or experience that helped you find "your people". You could help other students find "their people" too - give a donation to support something you loved in High School.

No amount is too small and every dollar matters. Even \$5 per month will help. Whether you liked theater, music, science, math, speech and debate, or even gym, your donation will go where it truly matters. Thank you for your support!
