1.Save the dates! Our spring PTO meetings have been scheduled for March 2nd, April 6th, and May 25th at 7pm in the Media Center. It is never too late to join us for the first time. We are always happy to welcome new people.

2.Volunteer needed: We are still in need of a coordinator for our sports outings. The Boston Red Sox and Providence Bruins have been contacting the PTO to remind us of their available events. We've always had a great time at our Worcester Bravehearts in the spring with over 100 people from Coolidge attending. Please emailptocoolidge@shrewsbury.k12.ma.us if you are interested in coordinating an event to any sporting event for Coolidge.

3.AmazonSmile Donates! The PTO is now registered with AmazonSmile. Amazon donates 0.5% of the price of your eligible AmazonSmile purchases to the PTO. Same products, same prices, same service as Amazon. Support us by starting your shopping at <http://smile.amazon.com/ch/22-3072106>.

4.After School Art Classes: A new session of Young Rembrandts will begin at Coolidge in a few weeks. A flyer was sent home for the new session running on Friday afternoons, Feb 5 - March 18. Whether you are joining us for the first time or have taken our drawing classes in the past, winter is the perfect time to register for Young Rembrandts. No two sessions are ever the same--we have all new lessons each week. Artists will advance techniques in color pencil, marker and Sharpie. Our engaging classes will make this an unforgettable winter for learning and fun. Online registration is

the quickest and easiest way to enroll [atwww.youngrembrandts.com](http://www.youngrembrandts.com). 5. Reading Incentive Program - Please encourage your child/children to keep on reading and sending in their reading sheets to be recorded weekly in their classroom. They are all getting closer to the 10 sheets required to earn their medal at the ceremony held in June. Our reading theme this year has been our Solar System and the students have all seen the display in the front lobby.

An interesting fact about one of our planets - Jupiter - Jupiter has sixty-seven confirmed moons. Wow! The moons are made up of different materials, and many have their own names. Such as - Europa which is made of ice, IO which is covered with volcanoes, Ganymede which is the biggest moon in the solar system, and Callisto which is covered with craters, just to name a few.

Check out some really cool books in our media center or the local library and see what you can find out too!

6. We are accepting the **Six Flags Read to Succeed reading logs** through most of February. Don't forget to log 6 hours of your child's reading for a FREE ticket to Six Flags New England. The form must be initialed by a parent or guardian to be valid. Please contact Blake Jarvi at blake.jarvi@gmail.com with any questions.

7. Labels for Education - Please remember to send in your Labels for Education found on many items, such as Campbell's and Pepperidge Farm. Each point is worth valuable money put together to order things for the school such as things for the classrooms as well as for gym equipment. Send them in with your student to be dropped off in the labeled box in the front lobby. Thank you.

Please continue to cut and save those **Boxtops** for Coolidge. Send them in on a Boxtops sheet or in a baggie. Whether you send in one or one hundred, it helps!

We are always accepting **Coke Rewards codes and Kelloggs Rewards codes.**

8.RASA Creations is happy to announce another series of Computer Workshops this February Vacation and **\$10 of each enrollment fee is donated to the PTO.** Please see attached flyer for details of the workshops.
