Lacrosse is a Spring sport and is ideal for football, basketball, hockey and soccer players. In fact, lax is for anyone who likes action-packed, dirty, sweaty competition. We will begin indoor practices in February right after winter vacation. In mid-March we will begin weekly practices 1-2 days/week. We play an 8-game schedule against surrounding towns starting in April and the season ends with a Jamboree event at Fort Devens in early June -- It's the largest lacrosse Jamboree in the country!! Kids love playing "lax" and parents enjoy watching!

Why lacrosse is the best spring sport....

- Games are fast, 40 minutes of action!
- Playing lacrosse is FUN. *Watching lacrosse is FUN.*
- Every player touches the ball, every game.
- Your kid WILL break a sweat!
- He WILL play in the rain. In mud. And snow. And heat.
- Learning TEAMWORK is paramount to a player's success
- Lacrosse is played at practically every high school in Massachusetts
- And did we mention, it's FUN!

There are no try-outs for our Town/Classic program and teams will be evenly organized and balanced. We field all players among the age-group team as equally as possible with the goal of teaching the sport of lacrosse and providing a fun experience for everyone involved.

Our league is growing fast and we are always looking for people to help with coaching, administrative and other duties, so please contact us at shrewsburylax@gmail.com if you'd like to volunteer. We've had some excellent coaches and helpers over the years that have never played lacrosse, so don't let inexperience stop you if you're new to the sport!

Important – Timely registration is critical since we need to register our teams with MBYLL (our parent league) for the 2019 Spring season.

Please help us spread the word by telling your friends and neighbors about our program.

Thank You for Your Support! Please join us!
