

Central Mass Revolution Youth Hockey Player Evaluations 2020/21 Season

Registration is open for the 2020/21 hockey season at www.REVHOCKEY.com along with player evaluation information, dates, times locations.

CM Revs strive to have all players play to their highest potential and teams in their highest parity level for the best competitive hockey. *The CM Revs Board of Directors, Coaches, Assistant Coaches and Managers will follow sound principles, while running a non-profit, volunteer-based youth hockey program for all girls and boys to have a fun, positive youth hockey experience.*

- **Lady Revolution** will have 10U/12U/14U/16U Girls teams playing in the Middlesex Yankee Girls Conference.
- **Travel Hockey teams:** All 10U/Squirt, 12U/Peewee, 14U/Bantam, and Midget(fall & winter) teams will participate in the **Valley League, AAA/AA/A divisions**. This is a wonderful league with excellent competition in the metrowest areas.
- **8U/Mite teams** will participate in the **Northstar Youth Hockey League**. This is a fantastic cross ice program at Northstar Ice rink in Westborough and a USA Hockey sanctioned program. Cross ice hockey is key to hockey player development. USA Hockey supports cross ice youth hockey for numerous reasons including more touches to the puck, quick transition, improved balance and agility and more. Visit USAhockey to learn all about cross ice 8U/mite hockey.
- Every player will be placed on a team. It is strongly suggested that a player attend each of their scheduled sessions. Make up sessions for skills will be posted on the website in the near future. **Registration and payment is required** to attend player evaluations.
