Leadership, Citizenship, Fitness, and Adventure: these are the benefits of Scouting. If you would like your son to develop these traits, join us on October 24th to learn more about our program.

Go outdoors with Boy Scout Troop 4! Open to boys who are 11 years old or have finished 5th grade, our monthly trips include hiking, canoeing, biking, fishing, white-water rafting, and ice-climbing. We tour West Point and the Coast Guard Academy. Our Scouts are taught to camp safely in all four seasons, learn to cook over an open fire, and are trained in life-saving outdoor skills & first aid. Our Troop values teamwork and service by volunteering on community projects.

Scouts learn important skills and about potential careers by earning Merit Badges such as Automotive Maintenance, Cooking, Disabilities Awareness, Engineering, First Aid, Home Repairs, Journalism, Law, Medicine, Public Speaking, Robotics, Snow Sports, & Wilderness Survival, just to name a few!

We are a group of 35 boys with a strong tradition of producing Eagle Scouts. Since 1965, the Troop has helped 132 boys achieve the rank of Eagle.

We are proud to be sponsored by the American Legion at the Ray Stone Post and we share their values of patriotism, honor, and duty to country. Every year, two of our 11th grade Scouts attend the prestigious *Massachusetts Boys State*, a national summer leadership program run by the American Legion. Troop 4 Scouts are also eligible to apply for the *American Legion Eagle Scout of the Year College Scholarship* of \$10,000.
