Instructor: Jean Brunell

As a former Family Consumer Science/Health teacher of Shrewsbury High School and current Elementary Summer Enrichment Coordinator, my passion lies in nurturing young budding gourmets to enjoy the art of cooking, make healthy food choices and to gain an appreciation of the pleasures that cooking brings. Each session is limited to 6-8 students. If the class is larger, Patti Crosson, a retired SHS Family Consumer Science teacher will assist. Smaller group instruction will provide students with a more hands-on learning experience. Registration is on a first come first serve basis. Please email me at jbrunell@shrewsbury.k12.ma.us to register or with any additional questions.

Please check the class fee. Checks must be made payable to the Shrewsbury Public Schools. A check will be collected on the day of the class. Cancellation of a class will require a payment if the seat cannot be filled. All classes are held at SHS in room B107. Transportation is the responsibility of the parent/guardian.
