## School District Items

### 1. [Please Note](#) – COVID-19 Testing Update: **PARENTAL ACTION REQUIRED**

Shrewsbury Public Schools is partnering with the state [COVID Testing Program](#) to provide voluntary weekly COVID-19 testing and the Test and Stay option for close contacts at school. Please check your email from September 10th for more details about these programs. Testing is voluntary and all staff and students are encouraged to participate. ***The required consent form can be found [here](#).*** We anticipate these programs will be available from the state by the end of the month. More information will follow when available. Your child cannot participate until the parental consent form is completed.

### 2. [Please Note](#) – Free Meals for all SPS Students

Shrewsbury Public Schools is providing free meals to all students under the USDA's Child Nutrition Programs. All children enrolled in the district are eligible for these free meals\* regardless of their eligibility status through June 30th, 2022. *(\*This does not apply to a la carte items that are in addition to a standard meal. A la carte items may be sold for a fee at some point during the school year.)*

Free and Reduced Price Meal Applications are used to determine free or reduced cost eligibility for many school programs, such as sports, transportation, music, etc. if there is financial need. To qualify for reduced costs for programs, you must fill out a Free and Reduced Application.

Applications are available online at <https://shrewsbury.familyportal.cloud>. Applications must be submitted this school year by October 8th, 2021 to continue eligibility.

If you received a letter from the Food Service Department stating your children were eligible for free or reduced meals in school year 2021-2022 as a result of a Direct Certification from the Department of Health and Human Services for school year 2021-2022, you do not need to fill out an online application.

Applications will be accepted at any time during the school year for new applicants as the need arises for families. If you need an application at any time during the school year, [visit our webpage](#) and fill out the [online application](#). Eligibility is governed by guidelines set by the Federal Government. A notification will be sent to all families stating what program they qualify for.

If you need help filling out the application, or have questions about the Free and Reduced Meal Program, please call the Food Service Department at (508) 841-8819 or email Beth Nichols, Food Service Director, at [bnichols@shrewsbury.k12.ma.us](mailto:bnichols@shrewsbury.k12.ma.us).

### **3. Please Note – Volunteer Interpreters Needed for the District**

Do you speak English and another language well enough to help teachers or school administrators communicate with other families who speak that language? Teachers and staff sometimes need help to communicate with a parent or caregiver who may speak a language other than English. They may need help making a phone call or communicating during a conference or other parent/caregiver meeting. **We are especially in need of interpreters for Russian, Chinese, Arabic, and Vietnamese.**

Interpreters are very important for teacher conferences, which take place on Tuesday, November 2nd. If you are available to help in any capacity, please give us your contact information and availability by [completing this form](#). We will be in touch when help is needed.

Thank you for your support of Shrewsbury Public Schools!
