An invitation from Dr. Jane Lizotte, Assistant Superintendent for Community Partnerships and Well-Being, and Ms. Karen Isaacson, Director of Extended Learning:

Shrewsbury Public Schools is seeking nominations of extraordinary people and programming in our schools to feature in the upcoming SPS Annual Report. The report will recognize individuals and celebrate accomplishments made during the 2020, 2021, and 2022 calendar years. The Annual Report celebrates faculty, staff, students, and alumni who exemplify SPS's Core Values and consistently respect, include, and empower others. Past submissions and recognitions illustrate a balance of diverse skills, experiences, contributions, and profiles.

Please consider nominating a special person and/or program! Click [here](#) to submit your nominations. Thank you for your consideration.

### **2. Please Note – Employment Opportunity: Crossing Guard (New)**

Do you enjoy working with children? Are you a morning person? Do you love the outdoors? If so, please consider applying for the Crossing Guard position at Sherwood Middle School! We are interested in candidates who are invested in the achievement, equity, and access of all learners in and beyond the classroom. Please [click here](#) to apply via SchoolSpring.

### **3. Please Note – We Reached Our Goal! (New)**

With our deepest gratitude and heartfelt thanks, we would like to say "thank you" to everyone who donated to the special Giving Tuesday campaign to raise \$10,000 for our new Career Pathways program. We exceeded our goal and raised \$11,720! With the \$10,000 match from an anonymous donor, we have a total of \$21,720 to invest in new programming. Career Pathways focuses on career exploration and on-the-job training through internships, job shadowing, summer employment, and potentially long-term employment. More information about career exploration opportunities will be available to students early in 2023.

### **4. Save the Date – Floral Street School PTO FunDrive, December 10th**

The season of giving is upon us! Help make room for the holidays and start the new year off lighter by purging your unused items in support of Floral Street School. If each family donates one bag and box, we could earn \$2,000+ towards renovating our playground. The more you

donate, the more we earn. Donations are tax deductible. Start gathering your items now to drop off on December 10th. Please [click here](#) for more information on our Fundrive page. Please [click here](#) to sign up to donate.

## **5. Please Note – Order Your Cookie Cutters Today!**

Just in time for the holidays - cookie cutters designed and created by 7th grade students from the Oak Middle School Design Lab are available for sale! Designs range from traditional, to New England Sports, to one-of-a-kind. All are only \$5 - they would make great stocking stuffers!

All donations earned from the sale of these cookie cutters will be used to purchase consumable materials (for 3D printers, laser cutter, and vinyl cutter) and maintain classroom equipment. ### Paul Newman: Star of Stage, Screen, and Salad Dressing

Join the Shrewsbury Public Library and film lecturer Frank Mandosa on Tuesday, December 13th at 7:00 p.m. for this engaging event. Paul Newman had an Academy Award, a happy marriage to Oscar-winning Joanne Woodward, Broadway success, and a set of blue eyes that could melt the most cynical moviegoer. As the star of such classics as *The Hustler*, *Cool Hand Luke*, and *The Sting*, his status of screen icon is cemented in film history. But despite his success on the stage, screen, and race car tracks, he was most passionate about his philanthropic work with gravely ill children. Come hear about Newman's life and career: there will be trailers, handouts, and chances for movie-themed door prizes! Sponsored by the Friends of the Shrewsbury Public Library. This event will take place in person at the library; please register to attend [here](#).

### Overcoming Stress and Anxiety Using Meditation

Eileen Carlotto is a middle-school art teacher, author, and illustrator. With 35 years meditation experience to draw on, Eileen offers workshops on various aspects of meditation and spirituality. Eileen has studied under a world-renowned meditation teacher and been to India many times to deepen her practice and share this technique with others. ##### Meditation Group for High School Students

Enrollment for a new Meditation Group at SYFS is now open! This 6-week educational group is for any high school student looking to start a meditation practice or learn what meditation is about. Meditation and mindfulness are evidence-based techniques that have been shown to help people improve their mental health and make lasting positive changes in both the brain and the body. Throughout the course, students will learn about the benefits of meditation as well as a variety of techniques they can practice on their own. Each week, participants will have the opportunity to meditate with a trained instructor, reflect on their experience, and connect with like-minded peers. By the end of the 6-week program, students will be able to establish their own meditation practice and begin to incorporate mindfulness into their everyday lives. No prior

experience necessary to join. Sessions will be led by a Licensed Therapist with a certification in meditation as well as a Masters-level intern and will be free of charge.

The six-week session begins on Tuesday, January 17th and all sessions will be held on Tuesdays from 3:00 to 3:50 p.m. For questions and registration, please email [ARobinson@syfs-ma.org](mailto:ARobinson@syfs-ma.org). Please note that we will not be able to accept new group members after the second session. Space is limited, so it is recommended to sign up early!

#### Art Therapy Group for 5th and 6th Grade Students

Enrollment is now open for our new 6-week Art Therapy group for 5th and 6th graders! The intention of this group is to create a safe place for children to experience and creatively express their emotions, as well as cultivate opportunities for self-expression, mindfulness, acceptance, and self-compassion. The art therapy exercises will include a variety of techniques ranging from collaging and textiles to drawing, painting, sculpting, and writing. Kids will walk away with some really cool artwork, but the focus will be on the process, not the product. They will learn to let go of critical thoughts and judgements that could impede the creative process. Navigating the challenges of adolescence today is hard and this group will be a place where kids can increase coping and social skills through creative expression. No artistic expertise necessary! The group will be led by a local Visual Arts Educator/Certified Therapeutic Art Life Coach and a Masters-level intern and will be free of charge.

The six-week session begins Monday, January 9th and all sessions will be held from 4:00 to 5:00 p.m. For questions and registration, please email [ARobinson@syfs-ma.org](mailto:ARobinson@syfs-ma.org). Please note that we will not be able to accept new group members after the second session.

#### Social Emotional Learning Group for 3rd and 4th Grade Students

Enrollment is now open for our new 6-week Social Emotional Learning group for children in third and fourth grade! This group is designed to support children in identifying, understanding, and managing emotional experiences, developing skills to establish and maintain positive relationships, and learning and practicing skills to communicate successfully with others. This will also be an opportunity to engage with peers and foster new friendships! The group is facilitated by a Master's-level clinician and a Master's-level intern. Social emotional learning has been shown to increase academic success, positive social behavior, and confidence, as well as decrease emotional distress. Developing these skills now will better prepare children to navigate school, friendships, family, and other road bumps life may throw at them!

The six-week session begins on Tuesday, January 17th and all sessions will be held on Tuesdays from 4:00 to 5:00 p.m. For questions and registration, email [ARobinson@syfs-ma.org](mailto:ARobinson@syfs-ma.org). Please note: we will not be able to accept new group members after the second session.
