## April Special Programs

### Paper Quilling: Spring Scenes

Thursday Apr. 7th. 3:30-4:30p in Meeting Room B.  
Grades 5-12. Registration required.  
Come try a unique art form - paper quilling! This craft uses rolled, folded, shredded, and twisted paper to make amazing pieces of art. At this program we'll each create a spring scene perfect for decorating your locker, bedroom, or gifting to a friend!

### SAT, ACT, or Both? from Princeton Review

Monday Apr. 11th. 6:00-7:00p on PR Virtual Classroom.  
Grades 9-12 and parents. Registration required.  
Should you take the SAT or ACT? Learn the truths and misconceptions, similarities and differences, and the strategies that improve scores on the SAT, the ACT, or both.

### Scrape Painting Cards

Tuesday Apr. 19th. 10:00-11:00a in Meeting Room A.  
Grades 5-12. Registration required.  
Let's learn a new art technique - scrape painting! In scrape painting we experiment with using different tools and movements to create lines, shapes, and patterns. We'll be working with washable paints to create unique art that can be turned into greeting cards! This is an inclusive activity for students with and without disabilities.

### Escape from the Ice Fortress

Tuesday Apr. 19th - Friday Apr. 22nd in Meeting Room B.  
Grades 5-12. Registration required.  
Do you have what it takes to find the clues, solve the puzzles, and escape before you're trapped in a villain's frozen lair forever? Six identical session offered, see calendar for session times.

## Cactus Rock Gardens

Wednesday Apr. 20th. 12:00-1:00p in Meeting Room A.
