2. Please Note – Shrewsbury Education Foundation Seeking Nominations for John P. Collins Awards for Excellence (New)

The Shrewsbury Education Foundation (SEF) is now accepting nominations for this year's John P. Collins Awards for Excellence. These awards honor the exemplary efforts of those dedicated individuals whose work brings to life the mission of the Shrewsbury Public Schools. The award is named for former Superintendent, John P. Collins, PhD, who served for 16 years in Shrewsbury (1978-1994) and exemplified the highest standards of professionalism and a commitment to lifelong learning.

Multiple awards will be presented in the following categories:

- Professional Educator
- Paraprofessional
- Support Staff
- Leadership
- Unsung Hero (Volunteers, PTO, boosters, supporters, fans, helpers)

Anyone who currently works or volunteers in the Shrewsbury Public Schools can be nominated. This includes any staff member or volunteer who you or your child either works with now or has worked with in the past. Just about everyone who's been touched by the Shrewsbury Public Schools at any level can nominate someone. All the nominees receive a copy of the nomination letter and a note of appreciation from SEF.

It's easy to nominate [online](#). Nominations will be accepted until Monday, February 7th and awards will be presented during the week of February 14th. Traditionally, these awards are presented at the annual SEF Dinner. However, due to COVID restrictions, there will be no annual dinner this year.

Shrewsbury Education Foundation (SEF) is an all-volunteer organization that raises money to fund grants which put resources and programs directly into the classroom. For more information about the Shrewsbury Education Foundation, please visit www.SEFgrants.org.

3. Please Note – Shrewsbury Education Foundation Seeking New Members (New)

The Shrewsbury Education Foundation (SEF) is seeking new members to join their mission in supporting the students and educators of our Shrewsbury Public Schools. SEF works to stimulate, strengthen, and support the creation and implementation of innovative educational programs and enrichment activities that benefit students of the Shrewsbury Public Schools.

Through its all-volunteer effort supported by charitable contributions, SEF fills a vital gap for Shrewsbury students. SEF grants allow dedicated educators to create new learning vehicles that cannot be supported otherwise. SEF grants encourage creative approaches to educating the whole child--further meeting their intellectual, psychosocial, and health needs. Shrewsbury Education Foundation receives grant requests from educators within the Shrewsbury Public Schools district for materials allowing them to go beyond the basic necessities of teaching and improving the education process for their students.

SEF meets once per month to discuss community outreach, plan fundraising initiatives, and coordinate events that fund future grant opportunities. If you are interested in joining the Shrewsbury Education Foundation team, please contact Kim Olsen (kimberlyolsen42@gmail.com) or James Dealy (Jamesdealy@hotmail.com) to inquire about joining our team and visit www.SEFgrants.org for more information on Shrewsbury Education Foundation.
