

SHREWSBURY LITTLE LEAGUE

EQUIPMENT SWAP/SALE

Do you have baseball or softball equipment your kids have outgrown and it is gathering dust in the garage? Perhaps someone else can make great use of it for the upcoming season. Let's face it, equipment is not cheap and we can all use a financial break from time to time.

Shrewsbury Little League is holding a baseball and softball equipment swap/sale where you can donate **"gently used" and clean** equipment (helmets, gloves, bats, cleats) that you no longer need and are still in good condition while giving you an opportunity to pick up equipment your child can make use of for \$5 per item OR \$15 for 4 items. Proceeds will go to Shrewsbury LL with remaining equipment donated to a local Boys and Girls Club.

WHERE: St. Mary's Church, Summer Street, Shrewsbury, MA Church Gathering Space adjacent to parking lot

When: March 18, 2017 from 9am to noon. Drop off equipment that Saturday morning starting at 8:00am.
