

# IEP 101 for Families

7:00-9:00pm

Thursday May 11, 2017

\* IEP 101 for Families Workshop is designed for parents and guardians to understand all sections of the IEP and the basic requirements for compliance under special education law for services and supports for students with disabilities.

\* Topics to be covered include:

- Understanding each page of the IEP.
- Evaluation and IEP timelines.
- Understanding parent and child's rights as they pertain to the IEP document.
- Tips for successful IEP meetings.
- IEP terminology.
- Parent's options for responding to the IEP.
- Explanation of due process.

*The evening will include time at the completion of the workshop for a question and answer session: "Ask the Advocate!" Bring along your IEPs or special education questions for assistance/advice after the presentation.*
