The cost is 650 dollars and that includes the game jerseys. We plan on having 2 practices a week. One practice will be at 8pm or later on Thursday nights and the second will be on a different night. The season ends by the end of November as many kids will be playing high school starting in December.

There is a 50 dollar tryout fee due at the time of registration. After the 50 dollar tryout fee is paid the remaining tuition balance will be 600.

We had 4 teams last fall and all play in the Valley Hockey League which will require a bit of travel but there will be a number of games at the SportsCenter in Marlboro. Last season the fall league had 13 divisions and the parity was good for all our teams.

We will have tryouts on Thursday March 23rd & March 30th from 8-10pm. Players may be cut depending on the number of players trying out. All ice sessions will be at Buffone Arena on Lake Ave. in Worcester.
