

Shrewsbury Youth Lacrosse (SYL) Spring 2018 Registration Closing Soon!

Attention families of 1st through 8th grade boys:

Think Spring! Shrewsbury Youth Lacrosse (SYL) is proud to begin its 18th year of teaching the game of lacrosse, respecting our sport, respecting one another and having fun! Registration for our 2018 spring season is now open and will continue until the end of February or until spots fill up, whichever comes first. As always, we encourage players of any ability to join us for an exciting new season of lacrosse. Go to our website to find out more about our organization, the game and to register to play: shrewsburiyouthlacrosse.uslaxteams.com

Registration is open to 1st thru 8th grade boys who live in the town of Shrewsbury. We field teams in the U9, U11, U13 and U15 divisions. No experience is required. The cost is \$220 per player, which does not include the cost of equipment. A credit card is required to sign up.

There are no try-outs and teams will be evenly organized and balanced. We field all players among the age-group team as equally as possible with the goal of teaching the sport of lacrosse and providing a fun experience for everyone involved.

The season runs from early March through early June. Indoor practices start on March 3rd and games will start on April 7th or as soon as we are allowed on the fields. Games are typically played on Sunday and practices are during the week. We play an 8-game schedule against surrounding towns starting in late April and the season ends with a Jamboree at Fort Devens in June.

Our league is growing fast and we are always looking for people to help with coaching and administrative duties, so please contact us at shrewsburylax@gmail.com if you'd like to volunteer. We've had some excellent coaches and helpers over the years that have never played lacrosse, so don't let inexperience stop you if you're new to the sport!

Important – Timely registration is critical since we need to register our teams and players with Mass Bay Youth Lacrosse League (MBYLL) for the 2018 Spring season. Thank You for Your Support!
Please help us spread the word by telling your friends and neighbors about our program.
