*As the school year draws to a close and summer approaches, the Summer R.E.C.E.S.S (reading everyday can ensure student success) Reading Program for grades K-4 is being offered. This year classes will be held at Shrewsbury Public Library. During this **free** class, the teacher will read and discuss the recommended reading book(s) with the children and then work on a craft. You can register your child on the library web site using the following link.*
