★ **School to Work**

• **Starbucks**

Come here about employment opportunities starting in high school and how the company promotes growth through work and higher education. Starbucks succeeds when our partners do, and we believe that success is best when shared. Our world-class benefits and programs for eligible part- and full-time partners are tailored to your needs. Your Total Rewards package includes base pay and bonus, benefits, retirement savings, stock and perks.

• **Saint Gobain**

We are a company driven by the ambition to invent a more sustainable and tangible future for everyone's life, for the way they work, take care of themselves or get around. Joining Saint-Gobain means joining a community of men and women with the convictions and talents to live up to this ambition and make it a lever for performance and innovation!

• **Salmon Health and Retirement**

SALMON Health and Retirement, a dynamic, family owned and operated organization established in 1952, specialized in providing the full continuum of care for older adults, and is the only area organization offering this convenience. SALMON operates in seven locations throughout Central Massachusetts, and holds a strong position in today's post-acute healthcare market. Dedicated team members and management combine to create a workplace with impressive opportunities for professional growth and fulfillment.

• **Mass Hire**

The MassHire Department of Career Services oversees Massachusetts's network of MassHire Career Centers that assist businesses in finding qualified workers, providing job seekers with career guidance as well as referrals to jobs and training.

★ Trade/ Career/ Alternative Programs

• Job Corps

Job Corps is the largest nationwide residential career training program in the country and has been operating for more than 50 years. The program helps eligible young people ages 16 through 24 complete their high school education, trains them for meaningful careers, and assists them with obtaining employment.

• Peterson School

The Peterson School has been preparing Facilities Operations Personnel for their State License Exams since 1946. Our Engineering, HVAC, Gas Heat, Oil Heat, Electricity, Facilities Maintenance, and Plumbing staff members are all senior licensed instructors holding major operations and management positions in the largest commercial facilities in the New England area.

• Universal Technical Institute

There is demand for skilled technicians. Students at UTI can get hands-on training in the automotive, diesel, motorcycle, marine, and collision repair industries as well as CNC machining and welding.

• Quinsigamond Community College

• Mass Bay Community College

- *Both Community Colleges offer over 150 degree and certificate programs.*

• Tech Learning Center

Established in 2001, Technology Learning Center (TLC Trade School) provides continuing education to individuals that wish to develop a new skill set (HVAC, Welding, etc.) or enhance an existing one.

• Porter and Chester

Porter and Chester Institute is helping committed students attain rewarding careers through industry-modeled, student-centered, training and support of the highest caliber. Our hybrid, online and on-campus program offerings lead to diplomas in the Automotive, Computer, Healthcare and Skilled Trades fields and prepare graduates for professional certifications in those fields.

• Dynamy (Gap Year Program)

Dynamy's mission is to challenge, support and empower young people to discover their purpose in life and to practice their values. Through internships, advising, wilderness challenges, community service and workshops, Dynamy creates opportunities for young people to expand self-awareness and deepen the realization of their connection to the world.
