

UNIFIED BOOSTERS CLUB

FEBRUARY - MARCH
MONDAYS UNTIL 4:00 IN ROOM 269

Mrs. Davis
Room 269

The Unified Boosters Club promotes the SMS Unified basketball games held in March. Students in our club interview our Unified basketball players and highlight the players on the Morning Announcements. Students also create large, informational posters highlighting each individual Unified player. Lastly, students will be creating, writing, and eventually sending out a Unified Newsletter focusing on various stories and information prior to and after the games at Oak.
