Re: Trip proposal for Student Television Network Convention

Attached please find a request from Ms. Maggie Korab for approval of a five-day trip to Washington DC to attend the Student Television Network Convention from Wednesday, March 11, 2020 to Sunday, March 15, 2020. This convention will allow students the opportunity to experience and explore opportunities in digital video production with their peers from across the United States.

The estimated cost of this trip for ten students and two chaperones is \$1,530.00 per student. This price includes roundtrip air fare, hotel accommodations, conference registration, and food.

The trip will provide students with an excellent opportunity to demonstrate their communication, critical thinking, creativity, and collaboration skills as they conduct comparative field studies, laboratory work, attend lectures, and complete an outcome project.

This packet includes all of the information required by School Committee Policy #537.

Please contact me if you have any further questions.
