Greetings Dr. Saywer,

For fair balance, here is a link to the petition that counters the petition that you shared. It has approached 800 counter signatures!

I would kindly ask that you share both petition links in order to be fair to all Shrewsbury residents that may be opposed to the original petition.

On a much different note:

We have three boys in this great school system. We really appreciate all the hard work that your administration has done during these difficult COVID times.

Thank you!

Sincerely,

Peter Manolakos, PhD(c) & Ani Manolakos
