Culture, Service Learning, Immersion, Authentic Interaction

How can this experience help educate our students?

- “...provides authentic, meaningful, real world learning experiences that are engaging to our students.”
- “Empowers students to meet future college, military, and workplace demands in a globally connected environment by building proficiency at the 21st century skills of communication, critical thinking, collaboration, and creativity.”

[District Strategic Priorities]

- A culturally and linguistically immersive experience.
- Nurtures an understanding and appreciation for various cultures, ethnicities, and races.
- Service learning and ecotourism allow students to interact with the world and the people around them.
