

The background of the slide is a vibrant blue with a subtle geometric pattern of squares and lines. In the upper right corner, there is a large, bright yellow sun partially obscured by a white cloud. To the left of the sun, there are several smaller white clouds. A stylized, light blue and white graphic of a boat's hull or a wave is positioned horizontally across the middle of the slide. The main title, "Marine Ecology Field Study", is written in a large, white, sans-serif font and is centered within a dark blue, rounded rectangular banner that spans across the middle of the slide. Below this banner, the location "San Salvador, Bahamas" is written in a smaller, white, sans-serif font, centered within a lighter blue, rounded rectangular banner.

Marine Ecology Field Study

San Salvador, Bahamas

Logistics

- ◊ Gerace Research Centre
- ◊ Transport provided everywhere
- ◊ 8 days, 7 nights
- ◊ All meals provided
- ◊ \$1700.00-\$1900.00
- ◊ Activities such as:
 - ◊ Caving
 - ◊ Snorkeling
 - ◊ Hiking/Exploring

A stylized illustration of a bright orange sun with a blue outline, partially obscured by white and light blue clouds, set against a blue sky background.

Daily Agenda:

7:30 am - breakfast

8:30 am - excursion

12:00 pm - lunch

1:30 pm - excursion

5:30 pm - dinner

7:00 pm - Lab

Main Objectives:

- Identify relationships between ecological systems and human activities
- Investigate Bahamian culture
- Perform protocols related to research methods and techniques
- Contribute to ongoing scientific investigations
