

RISE NEWSLETTER

Hello! Check out our newsletter to see everything we have done at RISE this month!

MS. ROMANO JOINS RISE CLASSROOM

Ms. Romano joined our classroom at the start of October. She has worked for Shrewsbury Public Schools for the past 5 years as an ABA tech. Ms. Romano is a very energetic and passionate teacher who has a lot of experience helping students at vocational and work opportunities. She is a great addition to our classroom!

Getting Library Cards

ENJOYING THE COMMUNITY

The RISE students got to explore the community a lot this month. They went on a hike with Waypoint Adventures at Peppercorn Hill Conservation Area in Upton. They also met up with Marlborough's 18-22 program at Dean Park where they had lunch, went on a walk and played basketball. Ryan and Jazmine also explored the library and got their own library cards.

VOCATIONAL JOBS

This month the RISE students started some new vocational jobs.

These include...

- wrapping cookies in SHS cafe
- sorting clothes in Andy's Closet
- helping at Coolidge

LESSONS

The RISE students also learned about and practiced some functional life skills including...

- Restore Environment
- Filling out Forms
- Reading Bank Statements
- Maintaining Conversations

FAVORITE THINGS

Learning about and talking about their preferences and opinions is important for all RISE students. Talking about their favorite things they do each month is a great way to practice this.

JAZMINE

3 Favorite things this month:

1. Went to dean park
2. Went to five below
3. Cooking sandwiches

Favorite place in community this month: Dean park

Favorite leisure sampling activity: Playing Pool

RYAN

3 Favorite things this month:

1. Hiking
2. Making Veggie Salad warps
3. Doing some workouts in the gym

Favorite place in community this month: Dean Park

Favorite leisure sampling activity: Playing pool

MAKING PIZZA

Ms Romano taught everyone how to make home made pizza. It was scrumptious!

Step 1 - Stretch out the dough and make it flat

Step 2 - Oil the pizza pan

Step 3 - Fold the edges to make crust

Step 4- Put the sauce on the dough

Step 5- Put the cheese on

Step 6- Put the pepperoni on

Step 7- Put it in the oven

Step 8- Take it out and let it cool

Step 9- Cut the pizza

Step 10 - Eat and enjoy!

PARTICIPATION

The RISE students participated in a number of different activities across the month. For Halloween they entered into a pumpkin decorating contest, prepared halloween treat bags for the Little Colonials and interacted with the Shrewsbury Police Department to do some work around emergencies and calling 911.
